I hope this letter finds you well. I am very happy to report that you have been selected for the 2009-2010 Second Career Chemistry Teacher Scholarship for Oakland University. We are very excited to have you on board as a Second Career Chemistry Teacher Scholarship recipient. As a part-time student, your scholarship will equal \$1,500 each semester through graduation. To continue the scholarship, we just ask that you mail or fax us your previous semester's transcript. We also ask all our scholarship recipients to send us a photo and one paragraph biography by October 1, 2009 for our website. This can be sent as an attachment via email. We like to celebrate our scholars to the world. If you have any questions, please feel free to call or email at your convenience.

Thank you very much & best regards,

A handwritten signature in black ink that reads "Bryce Hach".
