**RE: Employment-based Immigrant Visa Petition
(EB-12) of the University at Alabama at
Birmingham submitted on behalf of Dr. Nada H.
Saab.**

To Whom It May Concern

Dear Sir/Madam:

It is with pleasure that I write this letter in support of Dr. Saab's application for Employment-Based Immigrant Visa. I have known Dr. Saab for about a year and a half. She joined us as a Postdoctoral Fellow to work on the synthesis of aldose reductase inhibitors. She was selected out of over fifty people that applied for the job. The major reason for her selection was based on her excellent job performance while working on her doctoral dissertation in graduate school. We were not disappointed when she joined our laboratory. She lived up to our expectations. She proved her self to be a very competent researcher and added positively to the accomplishment of our research goals.
