To Whom It May Concern:

I am writing this letter to state that Wayne RESA ESL Program has been a tremendous service to the students here at Robichaud High School. We have a diverse student body here at Robichaud and some of our students have benefited from the services provided by the ESL program. For instance, two students Maryam and Noor Hussein have attained Honor Roll status with help from the Wayne RESA provider. She has been willing to help all of our students who have needed her services during my three years at Robichaud High School.

If you have any further questions please feel free to contact me.

Sincerely,
